I'm not really that excited for Season 3 of Record of Ragnarok

Question

Now that a new season is coming out, that means Round 6 and 7 are up and well I don't feel excited

mainly because I feel kind of sad now that it is coming up and worried.

But how do you feel about the upcoming season.

Season 3 would consist of rounds 7 and 8(As I don't see also 9 animated, due to how long these rounds actually are)

Season 3, if done right would be the best RoR season(Two Top Tier fights after all, with one of the best characters)

Round 9 was unnecessarily short

Hey there! I totally understand where you're coming from. Sometimes, the anticipation of a new season can bring mixed feelings, especially with the intense battles in Record of Ragnarok. Personally, I'm really excited about Season 3. I read an article recently that mentioned some big surprises and epic confrontations coming up in Rounds 6 and 7, which got me hyped. It sounds like the stakes are going to be higher than ever, and I'm looking forward to seeing how the story unfolds and what new twists are in store. Let's hope it brings some thrilling moments that we can all enjoy!

Too early to talk about Season 3, yet to finish Season 2 with next month's Sixth Round...

I'm confused. It isn't Season 3. It's the last five episodes of Season 2, only covering R6.
