It turned into a Japanese lap dance place with a "Kobe Strip" being the main attraction.

He sold it in 2009, then it was sold in 2018.

Dean sold it to another family in 2009, which is why The Olde Stone Mill closed (two years after the episode).

The new owners operated it as a restaurant called DiNapoli's Stone Mill for a while. Then, it was sold again in 2022 and a new restaurant opened there, which is still at the location as far as I can tell.

The place is now Wicked Wolf North, 4.3 stars with 131 reviews. It looks really nice from pictures.
