Zelda twilight princess (GC)[USA]

Other

Hey !

im having issues finding a rom for the title of this post , i already checked the mega thread and also downloaded the rom thats in there but it didnt work "file was damaged or some other issue has occurred" something among those lines , i also tried to check on some google drive here and there and had no luck either , itd help me greatly if any of you could send me a rom

What format (extension) was the file? Was it .7z? Did you extract it from the 7z compression?
