First Cash employee here. It's for the most part to keep physical cash flow coming in, so we can give money to buys/pawns.

This right here.

Interest payments or purchases? Cards are fine.

Redeeming a loan? Cash only. We need to keep seed cash on hand because we give cash out.

What most don't know is first cash has 7 pawn shop under its umbrella and we share the same system called V.2 meaning if you did a loan at first Cash then decided not to pick up the item, me at cash America can see you didn't pick the item and there's a percentage of the rate you pick up your loans
