I want to be able to carry dual sceptres 🤖

Discussion

I didn't want a wand sceptre build i want dual sceptres. Was this intentional?

think it was intended that way because two scepters will give 200 spirit and 4 free skeletons.

ye i find that design decision weird aswell. They could just nerf the base 100spirit a bit and let us dual wield them. Feels like a bad restriction to not have the option

Id be happy with a foci or str/int shield just having some minion affixes. Give u s a second item to use with the sceptre to help minion/hybrid builds.

I hope the 5 tiers of difficulty on endgame bosses is only temporary cos I like it less and less.
