

whoa there, pardner!

reddit's awesome and all, but you may have a bit of a problem. we've seen far too many requests come from your ip address recently.

please wait a few minutes and try again.

if you're still getting this error after a few minutes and think that we've incorrectly blocked you or you would like to discuss easier ways to get the data you want, please contact us at [this email address](#).

You can read Reddit's Terms of Service [here](#).

when contacting us, please include your ip address which is: **75.250.225.175** and reddit account
