[UPDATE] AIO husband poops his pants, says it's no big deal.

UPDATE: Thank you for everyone who replied with advice and kind words. I reached out to his father. That is about the only family he has. I told him I was really worried about his son. Asked if he could please call him and check on him. I told him he may need to go to the doctor, but he is resisting. His dad asked for details and so I told him what was going on. He was baffled. He said I was making a huge deal about nothing. And that he could not believe I was making him sleep on the couch over that. He was very...

When I was a kid, I drugged my dad for a whole month

Warning: contains abuse. My father was a raging asshole. He used to beat us and yell at us about how worthless we were constantly. My mother finally had enough, and said that either he gets psychological help, or she leaves him. He went to the doctor, and was prescribed an antipsychotic medication, which made sense to us kids, because he was psychotic. When he started taking it, he magically became nice! No more beatings, no more yelling... it was paradise. Then, after a while, he turned mean again. We...
