There is no official announcement of that anime getting a second season.

And not likely considering the LN is done (so less value for advertising) and the anime production was a shit show (not really their fault).

Doubtful. It's the trap of many isekai. Though I always hope for more

- Pas d'annonce officielle
- Le studio derrière l'anime a quasiment fini ses autres projets en cours
- Le studio a recruté récemment

Et les différents articles spéculent pour une nouvelle saison courant 2025, au plus tard mi-2026

Bref ça pique xD

They did release a game based on the show, so my guess is if they get enough revenues it will get a second season. I wouldn't completely rule out a second season as of yet, but as we all know it comes down to budget and time. It's a small studio and they are currently working on "Okitsura: Fell in Love with an Okinawan Girl, but I Just Wish I Know What She's Saying".

All we can do is stay hopeful and wait for an announcement.

It's only been 3yrs since season 1 finished airing so definitely don't give up hope. The manga source material is currently still being written so production could very well be waiting for enough material to consider starting production.

The manga is not the source, the light novels are and those have been finished for years.

No it won't get the season 2

And as for why, its bcz the way source material is written. The cliff hanger u get in last ep of anime just shoved aside for a long time and story starts covering up whole 14 years in past of kumo leading upto current demon lord vs elf war.

Hence season 2 won't be what u are looking for. If I have to guess even season 2 and 3 of 24 episodes each! Aren't enough to catch upto the season 1's cliff hanger. That more that 48 epsiodes lol
