review this comment and you can likely have your problem solved without needing to wait for a human.

Most troubleshooting questions require debug or trace logs. In all instances where you are providing logs please ensure you followed [the Gathering Logs wiki article](#) to ensure your logs are what are needed for troubleshooting.

Logs should be provided via the methods prescribed in the wiki article. Note that `Info` logs are rarely helpful for troubleshooting.

Dozens of common questions & issues and their answers can be found on our [FAQ](#).

Please review our troubleshooting guides that lead you through how to troubleshoot and note various common problems.
