Daughter didn't think people would like this bleached raw bone shirt. We told her she was crazy!

I wanted to get her out there and show her just how talented she is. We've been trying to find avenues for her to show people her art. What do you all think of this first attempt? I'd like her to see interactions from other artists 💜

Yes, as banana said, she just took some bleach out front and some cups of water and BAM knocked this out. She never ceases to amaze us because we are not artistically gifted folks.

Sun bleached raw amethyst looking more like rose quartz these days. Found over 40 years ago then kept in the Arizona sun in Dad's rock stream. No idea where he found it originall...

Happy Firefly Day! Here's my daughter in her "No Power in the 'Verse..." sweatshirt this morning. She's a new fan and was excited to celebrate today.
