Does it annoy anyone else.... [Man with the Skull Tattoo]

[Season 11 & Below Spoilers](#)

In season 11 episode 8 Awake, a unsub William Taylor is torturing victim with sleep deprivation techniques and large amounts of caffeine, the motive was shown to be finding his daughter Tatianna who he insisted was taken by a man with a skull tattoo while he slept in a lay-by, Tatianna's body is found, William is found and ultimately shot without them ever giving another thought to his story. This episode ends with us seeing the Man with the Skull Tattoo attempting to take another child.... WHY DID WE NOT GET AN EPISODE ON THIS MAN?!?! I mean I get that season 11 already had multiple arc stories with Derek, the Dirty Dozen and the Storm but if a cliffhanger EVER needed solved is was this one!!!

WHO IS THE MAN WITH THE SKULL TATTOO? HOW MANY KIDS DID HE TAKE? WHY DON'T WE KNOW?!

I'm sure there's fanfic out there giving me all these answers but I just thought I'd give my vent here!

I think they did it as a way to show that not every serial killer that's out there is ultimately caught. Some get away.

I always thought that maybe they left some of the cliffhangers for the spin-off that didn't work out lol

but for an entirely different reason than you. I never even twigged on that whole he did it again thing.

There were a few episodes throughout the series where they left it as if they were coming back to that story and perp...always irritated me that so many left on hangers like that

I can never work out if this one or the the son from 'Blood Relations' annoys me more 😬 (the one with Jigsaw from Saw!)

Blake is so traumatised by that entire thing, is assured he's dead and then we see him break into that holiday home!

Such a shame cause I freaking love that episode 🤔

i remember that and i was like uhhh where's the rest? i get that they're showing that not everyone gets caught but come on, there totally should've been a follow up episode to that, especially considering how hurt the dad was by his daughters disappearance, it would've been nice to see some justice in the end

Is this the ep with the lowest IMDb rating?
