**[deleted]** • 1y ago

This sub is basically just 13 year olds who giggle every time someone uses the word nut, or whenever they see a vaguely phallic shape.

OP can you explain how this is "they knew"?

Do you even understand the definition of the content for this sub?

I heard pineapple juice works well.

**HELLFIRECHRIS** • 1y ago

This is a real stretch for this sub, but I am curious how the water makes it less runny.

**Big-AI97** • 1y ago

Nut butter is the catchall term for any spread made from crushing any type of nut kernels such as peanut or cashew butter. It's also what some people call their jizz.
