Peerless Battle Spirit

Can someone please tell me the timeslot for new episodes of this Donghua? I started watching today, I thought it's 16 minutes... turns out it's 7 minutes. I'm so bummed...

If you like this story there's also the [motion comic](#) for this which isn't awful (at least it's one of the better ones). It has 291 episodes so far. He's already in the upper realm at this point nearly at immortal level.

Yea ironically I was just finishing watching the newest episodes, I was on like ep 265 when the donghua of the same story dropped . The motion comic was ok

Did you catch up on all +-400 episodes already? Respect. New episodes on Monday and Saturday sometimes Friday if I remember correctly.

There are 12 episodes... I believe the Donghua started airing this year... unless I'm mistaken...

Peerless Battle Spirit and NOT Peerless Martial Spirit...

I don't like the way the MC sticks his trust and life to a woman who already stabbed him in the back.

Is peerless martial spirit over or is it getting another season ? I stopped watching it so it could get more episodes but I don't think it's been updated since episode 440
