Beginner looking for summoner class

Hello! Me and my friend are planning on trying out this game later tonight and I was wondering if there are any pet/summoner classes?

I have looked into the classes and tamer seems to be an obvious answer. However, I read somewhere that Witch gets some sort of pet after being "awaken", whatever that is? Is that pet permanent? Does anyone else get pets? What class would you recommend if I enjoy pet/summoner?

I have tried searching for this info on the subreddit but I couldn't find it so any help would be appreciated.

Wizard/witch are much more beginner friendly and have a wider use. Tamer, while great, specially in 1v1, lack in other aspects and 1v1 is more of an end game thing (unless you start pking as soon as you are 50 which makes little sense)

The answer is you will want tamer it a unique summoner ish class

You won't like wiz/witch if you like controlling the pet because they don't do much for you other then basic attack

Meanwhile tamers over here like who needs a horse XD
