LGBT+ friendly gyms

I am looking for LGBT+ friendly gyms ideally in the Uptown area or easily accessible by the redline. I've never been to the gym before because I've been scared since I am FTM pre surgery. Any recommendations?

Northside gyms are all full of gay dudes. Don't over think it.

OP this is the one. It's run by a local transmasculine person and they'll work with you on fees if need be.

This is Chicago my guy, no one is going to give you a hard time.

The FFC East Lakeview is very close to Boystown if you need specific recommendations.

FFC's east lakeview is majority gay men, Cheetah Gym in Andersonville is also very lgbt friendly. There's also a planet fitness near boystown that i would assume is very gay friendly.

most major gyms here in the city are fine. I'm mtf presurgery and i boymode at the gym. My girlfriend accidentally outed me to the staff there but they were very supportive granted in the most dude bro way possible

edit this is the planet fitness on boradway
