There are a ton of online places to get glasses for ten to twenty bucks a pair once you get your prescription too! Just ask for a written copy

America's Best has been running the deal for the two pairs of glasses with an exam for multiple years, at least in my area (Philadelphia suburbs). Or, I guess I can I say, they had it in October, and also had it a little over two years prior to that when I had last been there.

My eye doctor confirmed with me that my insurance would fully cover my annual exam. Now they're saying that the insurance didn't cover any of it.
