

Did you mean: [america's best eye exam](#)

 **Answers**

America's Best offers affordable eye exams and glasses, making it a good option for those without insurance.

**Cost and Services**

- **Affordable Pricing:** America's Best is known for its competitive pricing, often advertising deals like "2 pairs of glasses and a free eye exam for \$79.99".
- **Contact Lens Exams:** They offer contact lens exams and fittings, sometimes at no extra cost for those with astigmatism or other specific needs. ["I have astigmatism, and I have never had any extra charges for my appointments."](#)
- **Eye Care Club:** For frequent eye exams, America's Best has a ["3 year program where you get one exam..."](#)

what's the difference between going somewhere like America's best for eyeglasses and exam and Costco? At America's best I think you get two pairs of glasses and free eye exam for \$69.99.
