Best vacuum for hardwood floors and pet hair

Hi! I'm looking for recommendations on the best vacuum for hardwood floors and pet hair. I currently have a cordless shark and it's just not doing the trick. Which is sad because it was so expensive 😞😞. I want something with lots of suction power. Thanks!

Henry 160 for a larger budget, Simplicity Jill for a more conservative one.

I'm hoping to keep it under \$600 but would potentially go higher for the right product.
