naturally-born **Supreme Being Bones** from Shi Hao. Deceiving the elder of the clan responsible for Shi Hao's custody, Shi Yi's mother takes him to an underground secret dwelling. There, he extracts the **Supreme Being Bones** from Shi Hao's body and implants them into Shi Yi. Moreover, he orders the extraction of all the essence blood from Shi Hao to nourish the Supreme Being.

The bones naturally grow in Shi Yi's body, leaving Shi Hao on the brink of death. However, the caretaker elder intervenes in time, saving him from imminent death. When Shi Hao's parents return to the clan and discover the terrible truth, **Shi Ziling** feels guilty. He decides to avenge his son by wreaking havoc in Shi Yi and his mother's clan branch, promising to break more than a hundred bones in Shi Yi's body.

After killing several elders from Shi Yi's clan branch and keeping his promise to break a hundred bones, Shi Ziling clashes with the clan ancestors and is exiled to the clan's second ancestral land. Shi Ziling takes Shi Hao to **Stone Village**, a place he discovers through a map left by his ancestor. Once he leaves the young one there, they embark on a journey in search of something that can help Shi Hao recover from the injuries. Years pass, but the parents have not yet returned. Meanwhile, young Shi Hao begins to grow, undertaking his cultivation path with determination. His goal is clear: to find his parents and seek revenge for the injustices suffered during childhood.
