New Website Coming Soon!

Great Lakes Holistics Cannabis Dispensaries Battle Creek, Kalamazoo, Lansing, MI

Coming Soon to Great Lakes Holistics: Great Lakes Holistics is preparing to launch a new online experience in early 2026, designed to make it easier for customers to explore and plan their visits. A full online dispensary menu will be available, allowing you to browse products ahead of time and place orders for in store pickup. This new menu experience gives you more time to explore options, discover new products, and stop in quickly when life is on the move.

Along with the new dispensary menu, Great Lakes Holistics is expanding across Michigan. Two new Great Lakes Holistics cannabis dispensary locations are scheduled to open in Warren and Muskegon in early 2026. These new locations will help us serve more communities while continuing to provide the same experience our customers know and trust.

If you are searching for a dispensary near me in Michigan, Great Lakes Holistics will soon offer even more convenient ways to browse, plan, and visit. Be sure to check back after the new year for updates on our online dispensary menu, new location openings, and launch details.

We look forward to welcoming you in 2026.
