The Waverider arises, reborn from the ocean foam. In her original Orokin-era splendor she embodies the undying vigor of youth.

YARELI PRIME BUILDS

BUILDS BY NINJASE

Guardian of the Gloomy Sea | Yareli Prime | Lazy Tank Merulina Guardian for Casual/Base SP

Lazy Tank [Merulina Guardian] Yareli for speedrunning on Merulina or running base steel path missions (can tank up to around level 500 comfortably e.g. EDA/ETA).

[Combat Discipline] helps [Yareli] take damage to activate [Merulina Guardian] and [Archon Intensify] since it requires actual healing in order to activate both. [Combat Discipline] also helps consistent activation of Arcane Avenger which is optional.

Why Gloom?

Gloom is the only ability that you can keep active while staying on Merulina permanently, and also constantly heals both you and merulina.
